J. D. Summerour says that though he knows that C. S. McCulloch is unreliable when it comes to telling a fish story, he thinks he is entitled to some flowers, while he calls attention to the fact that "Mac's" bridge just north of Vernon has stood some very high water, and that if seven pilings went out in Monday's flood, that still he should have a nose gay or two, just the same. Bigger bridges went out Monday on Red River, he says, built by big engineers too. He recalls that Mr. McCulloch went down and viewed the building of the bridge several years ago and protested at the way the piles were being driven. The commissioners did not turn a deaf ear to his pleading, so Mr. McCulloch was employed to supervise the job. The first forty feet had been built when he took charge. The next spring freshet took out the forty feet, leaving Mr. McCulloch's handiwork high and dry. He says it is very simple, he just sharpened the piling like a huge lead pencil and drove it into the clay several feet. The others had been pounding the piling unsharpened. Anyhow, it held. It has been reported that the pilings, loosened by the flood, are holding, firmly embedded in the clay. They are loosened at the floor of the bridge.

Max Bentley, staff writer for the Fort Worth Star-Telegram, made his first visit to Vernon Wednesday, although he is a West Texan and his home is at Abilene. "I thought I knew West Texas pretty well, but I didn't know that there was just a town as Vernon in this section," he said. Mr. Bentley commented upon the substantial appearance of the city from a business standpoint, the well-paved, wide streets, beautiful homes and the unusual number of trees. He visited Hill Crest Country Club and declared that the plant was the best improved and most beautiful country club he ever saw in a small city. Mr. Bentley was gathering material for a special article concerning Vernon and Wilbarger County, and if his comments on Vernon while here are any indication of what his article will be, Vernon will get a lot of valuable publicity from his pen.

The block of paving on Cumberland street between Texas and Olive was cleaned up and opened to traffic Tuesday and Wednesday. As soon as the paving crew had completed its work, the need of the new pavement became apparent. Automobiles began parking almost the entire distance of the block, although the greater portion of the property facing on the street is either vacant or is occupied by sheet iron buildings. The Record, The Hotel Vernon and the Vernon Electric and Ice company's plant are the only brick buildings on the block. Incidentally this is the only 72-foot pavement laid by the city under the contract just completed.

"Enough water went down Pense River this week to irrigate every acre of land in Wilbarger and Ford counties for two years, if we could have impounded it for future use," declared L. K. Johnson, who believes Pense River offers possibilities for water development fully as great as the Lake Kemp project on Wichita River.

A report was recently circulated here that fishing licenses are required of those who fish outside the county of their residence. W. A. Ish, district game warden, says this is incorrect. Hunting licenses are required but not fishing licenses.

There are now only three stretches of new pavement that have not been opened to traffic—two blocks on West Texas, half block on East Texas, one block on East Pense. The two latter pieces will remain closed for another two weeks yet.

The piling on the Lee Highway toll bridge across Red River without the floods the first of the week without the slightest indication of damage anywhere, according to John B. Nabers, engineer in charge of the work.

C. G. Sumner, who has just returned by automobile from California, says it is no trouble to drive from Los Angeles to Vernon in four days. Roads are good most of the way he says, except in wet weather.

CURTIS RENFRO RETURNS TO SCHOOL FOR HIGHER DEGREE

Curtis Renfro left Wednesday for Austin where he will enter Texas University at the opening of the fall term next Tuesday. Mr. Renfro already holds a Bachelor's degree in business administration, and expects to enroll in the school of law this year.

Former Cashier Here.
L. E. Piper, former cashier of the Waggoner National bank, now cashier of a large banking institution in Los Angeles, is here for a few days on business.

FAIR EXHIBITS CLAIMED BEST IN MANY YEARS

Agricultural Displays in Community Booths Unusually Good—Attendance Is Small—Horse Races Being Held at Track Daily.

Community exhibits at the exhibit hall of the county fair are proclaimed the best in recent years by old residents here. The general exhibit seemed from various farms over the county by the county agent, P. D. Chaney, is likewise acclaimed a record breaker. Exhibits of all classes of agricultural products are excellent this year, even to feed stuff. Watermelons, which were proclaimed a rarity here during the drought in early summer, may be found in the community booths in most any size.

Eight communities are exhibiting their products in community booths. They are: Haney, Oklaunion, Farmers Valley, Bourland, West Vernon, Antelope, Doans, Kinchele, Photographers have been called to the hall, and have made pictures of the booths. In addition to the community exhibits, the county agent has a large exhibit booth of the general agricultural products of the county.

The Farm Boys Clubs have filled a booth with exhibits, as have the Girls Clubs. These are attracting much attention as the products displayed equal any exhibit in the community booths.

Other booths in the hall which are interesting are those of Russell's Department Store, Bennett Lumber company, Vernon Grain and Fuel company, North Texas Building and Loan Association, Maxwell House Coffee, Vernon Music Store, Farmers State Bank, Seaboard-Orr Implement company, Southwestern Community club, Fargo and Elliott Women's clubs.

Large crowds have been attracted by the automobile displays at the end of the exhibit hall, where the latest models of the Chrysler, Dodge, Reo, Chevrolet, Studebaker, Hudson, Willys-Knight, Overland, Ford, Buick, Nash, and other models are on display. The new model Ford has attracted considerable attention.

Following the horse races this afternoon, a football game will be played between the Vernon High school eleven and Memphis High school team.

Two Club Boys Win Free Trip To Dallas Fair

Two members of the boys clubs of this county were awarded free trips to the State Fair to be held at Dallas, October 10-25 as prizes for exhibits at the Wilbarger Fair. The boys who won the trips are: Dewitt Sylvester, Vernon, Route 3, and Barbara Cook, Vernon, Route 2. Dewitt Sylvester won his trip in the cotton contest, and Barbara Cook won his in the maize contest.

The following boys won places with their exhibits at the fair: Cotton—Dewitt Sylvester, Vernon, Route 3; Andy Linecum, Vernon, Route 3; Ole Cole, Vernon, Route 2; Maize—Barbara Cook, Vernon, Route 2; Bryan Standlee, Vernon, Route 3; Elmer Turbett, Vernon, Route 3.

Peanuts—Tom Jackson. Feterita—Malcolm Hines. Sweep Stakes—Barbara Cook.

ENROLLMENT NECESSITATES NEW GRADE TEACHERS

Large enrollments at two Vernon city schools made it necessary to elect two new teachers, according to W. T. Lofland, city superintendent. The two schools which are crowded are Shive and Central.

Teachers elected are Miss Katherine Hagler, of Fort Worth, and Mrs. W. A. Franklin, wife of the principal of the High school.

Leave for University.
Charles Thomas left Monday for Urban, Ill., where he will enter the University of Illinois. Miss Lena Edna Thomas left Monday night for Austin where she will attend Texas University.

To Teach in Wichita Falls.
Miss Anna Jo Pendleton left this week for Wichita Falls, where she will teach a large class in expression, dramatic art and public speaking.

REV. & MRS. HENRY CLAY MILLER

DISCUSS RURAL HIGH SCHOOLS

SCHOOL BOARDS OF COUNTY FAVOR PLAN FOR CONSOLIDATION.

Consolidation for high school purposes only was the main topic of discussion at the annual meeting of the school boards of Wilbarger county which was held in the office of the county superintendent, Tuesday afternoon. Twenty-five trustees of the rural schools of the county attended the meeting. Those attending the meeting seemed to favor the idea of consolidating in order to establish a rural high school, although no definite action was taken. The idea advanced planned for the construction of a high school building in a large consolidated district, with only high school students attending the school, and the grade districts and school houses remaining the same. It was pointed out that this would give the grade students all the advantage of having schools near their homes, and after completing the grade work, would allow them to attend a high school and remain at home.

According to the plans discussed, the high school would have as many as four teachers, and would be completely affiliated with the colleges of the state.

At the meeting, it was voted to put the compulsory attendance law into effect on the third Monday in January. State aid for rural schools was another important problem discussed.

FORMER VERNON WOMAN TO APPEAR IN GRAND OPERA

Mrs. J. O. Rouse and son, Harlow, returned Saturday night from California and Old Mexico, where they spent the summer with relatives and friends. The many friends of Mrs. J. W. Corley, a sister of Mrs. Rouse, who formerly lived in Vernon, will be pleased to learn that she is a member of the California Grand Opera Company. During the second week in October she will appear in seven grand operas, three of which, Aida, Sampson Et Delila and Manon, are familiar to the music lovers of Vernon. She will also appear with Madam Schuman-Heink in a grand performance at the Olympic Theater, Los Angeles, to raise funds for the restoration of Santa Barbara Mission, which was recently damaged by the earth quake.

Council Meeting Postponed.
The regular meeting which was scheduled for last night as that was the third Thursday night in the month, and which was postponed because the fair was in session, has been set for Thursday night of next week, according to R. M. Fielder, secretary of the chamber of commerce.

GRIDDERS GET INITIAL TEST OF YEAR TODAY

Memphis Coach and Eighteen Men Arrive in Vernon Thursday Afternoon Looking Good—Local Squad Crippled by Injuries.

Everything is set for the opening of the Vernon Lions' football season at Fair Park this afternoon when the local grid squad meets Memphis High school's team at 4:15. Coach Blake Bolton and eighteen muleskin warriors of Memphis High arrived in Vernon yesterday afternoon, and spent the night here, resting up for today's game. Every effort has been made to have the Memphis squad in the best condition possible for today's game.

Coach Bolton's men have an advantage over the local squad in that they have already played one practice game this year. They played a strong Memphis team to a nothing and nothing tie a week ago. In 1924, Memphis lost the district championship of Class B schools on the toss of a coin, and Coach Bolton's starting line up for this afternoon contains six of the men who carried the Memphis colors to a tie for district championship honors last year.

Vernon's grid squad has had only one light scrimmage. Several of the men who are slated to open today's game hardly know what scrimmage is, but during the past week they have been going through strenuous exercises, and have received much drilling in the rudiments of the game. In addition to this it has been drilled into them that they must deliver the goods, and one who has been watching them during the last few practices can hardly doubt that they will.

The backfield that will start the long grind for the Red and White this afternoon has practically everything that is to be desired in a high school backfield. The eyes of Vernon are turned upon the forward wall. In practice that wall charges low and hard, and it carries plenty of weight. The line averages 154 pounds per man from end to end. Two unusually light men pull the average down. Captain Robinson and Teel, end. There is no doubt that Robinson will account for his lack of weight. Teel, 135 pound end, has shown up well, if his weight handicaps him today. J. T. Castleberry stands ready to throw 160 pounds of fight into the melee.

The Lions will be hampered in their first game by injuries to two of their heaviest men. Guy Norwood, giant tackle, will not start the game because of an injured shoulder. Burrow, scheduled to hold down the other tackle position, will be heavily bandaged about the shoulders, because of an injured shoulder muscle.

A general inspection of the team shows that Memphis has as much weight on their team, if not more, than does the Vernon Lions. All in all, this afternoon's game promises to be one of the hottest games of the year.

The starting line-ups as announced by the coaches this morning are: Vernon Position Memphis
Ted Key right end Hammond
Burrow right tackle H. May
Black right guard C. Donald
Robinson center Nixon
Koonitz left guard Massey
Roy Key left tackle Sisk
Teel left end Stanford
Ryan quarter Henderson
Gelhausen full H. Dennis
Crouch right half Coehn
Williams left half Lenon

WAPLES-PLATTER STORE ROBBED HERE LAST NIGHT

Waples-Platter Wholesale grocery store on North Fannin, was entered last night, and about \$5 worth of cigarettes were taken. The burglars entered through a window, and broke down two doors on the inside. Entrance was made between 8 p. m. yesterday and 6 a. m. today. No clues were left, officers announce.

Bourland School Opens.
Bourland Consolidated schools opened Monday morning and a large number of patrons attended. Over fifty per cent of the students enrolled were present for the opening, according to B. G. Bird, principal. Several interesting talks were made.

At Son's Bedside.
Mr. and Mrs. H. D. Tennyson left Tuesday in response to a message that their son, Clyde, was seriously ill in a sanitarium at Fort Worth. The young man has been ill for several months.

MRS. THELMA CONVERSE
Mrs. Thelma Converse, sister of Mrs. Reginald Vandervilt, is to be the bride of Lord Furness as soon as her decree of divorce becomes final in Paris next April.

WINNIPEG BUYS ANOTHER LEASE

COMPANY PURCHASES SIXTEEN-ACRE TRACT IN HEART OF FIELD.

The Winnipeg Oil company has purchased from Bond, Hawkins and Williams a lease of sixteen acres in section 100, block 14, in the proven territory of the South Vernon field. The purchase price is reported as \$500 an acre.

The tract, which is situated south of the Waggoner-Cowden-Winnipeg 23-acre tract in the same section, will be developed at once, according to announcements made by the Winnipeg company. Location for the first well has already been made, and rigging up will begin in a few days, it is announced.

Closely following E. A. Landreth's purchase of last week, when he bought eight leases totalling 320 acres at a consideration of \$300,000, this indicates a revival of lease activities in the local fields in spite of the fact that practically everything in the proven area is held by producing companies.

C. OF C. PURCHASES DUSTING MACHINE

The Chamber of Commerce has purchased a new five-row Niagara dusting machine, power driven, for spraying calcium arsenate in fields where the leaf worm is raging. R. M. Fielder, secretary, announces that any one who desires to demonstrate on their fields, are asked to come to the office and make arrangements for the demonstration.

Return From Pacific Coast.

Mr. and Mrs. F. A. Naylor and daughter, Miss Edna, have returned from a tour of the Pacific coast. Mr. and Mrs. Naylor returned by the way of San Angelo, where their hotel was destroyed by fire two months ago. He has been asked by the citizens of San Angelo to rebuild.

Return From Los Angeles.

Mr. and Mrs. A. H. Murchison arrived Friday night from Los Angeles, where Mrs. Murchison has been spending the summer visiting her sister, Mrs. T. M. Kell, and husband. Mr. Murchison has made trips back and forth all summer and returned to California a short time ago to accompany Mrs. Murchison home.

SEVERAL WELLS STRIKE PAY IN LOCAL FIELDS

E. A. Landreth and Barkley-Meadows Have Wells Resting on Sand and Are Preparing to Drill in—Drilling Active in County.

The hole of E. A. Landreth's F-1 in section 46, block 4, is slowly filling with oil from a sand encountered at 1883 feet. Preparations are being made for a test, with indications for a fair producer. The well first picked up the sand at 1865, but passed through the formation, going on to 1883 feet. Eight-inch casing collapsed in Landreth's D-2 after the well had been cleaned out and preparations were being made to test a sand encountered at 1874 feet. The well was showing considerable oil. An effort was made to pull the casing, as the collapse was 150 feet from the bottom of the hole, but it was decided to leave the casing in the hole and try to drill by the casing.

Casing is being lowered again. Barkley-Meadows have picked up a good looking sand and are cementing casing in No. 3-A, located in their forty-acre lease in the northeast corner of section 83, block 14, in the Stephens tract. The sand was encountered at 2315 feet. No. 1-B, the discovery well of the 2400-foot horizon in the South Vernon field, is showing considerable water following a fishing job which took place early in the week. No. 4-A, west offset to 3-A, is drilling at 965 feet.

Millham No. 1-A has a good looking sand at 2240 feet in section 48, block 4. Preparations are being made to drill in. Cement is being set before drilling in the hole of 1-B, which has some sort of a sand just below the 1800-foot level in section 31, block 4.

Humble Oil and Refining company's D-2 in section 50, block 14, is drilling at 2035 feet. Q-1 in the same section is drilling at 1933 feet. E-1 in section 52, block 14, has a strong flow of water from a sand at 2480 feet. H-1 in section 46, block 4, is shut down for repairs at 1925 feet. D-3, located in section 50, block 14, is shut down for repairs at 1350 feet. E-1 is drilling below a last reported depth of 1930 feet in section 46, block 4. I-1, located in section 47, block 4, is below a last reported depth of 900 feet.

Gulf has a water sand at 1725-1730 feet in B-3 located in section 50, block 14. I-2 is drilling below a last reported depth of 2045 feet in section 65, block 14.

Upham's well in section 1, H. & G. N. survey is shut down after the pipe collapsed at 2310 feet.

Magnolia is drilling below a last reported depth of 1255 feet in section 12, block 4.

Durham No. 2 is drilling below 2240 feet in section 20, block 2. No. 1 is undercasing at 2280 feet.

McLester is cleaning out at 2150 feet in section 20, block 14.

W. D. Wells has shut down at 2000 feet in section 21, block 14.

Smith is drilling at 1815 feet in section 24, block 2.

Atlantic-Sigler No. 2 is undercasing at 1325.

Roxana is shut down at 1752 feet in section 50, block 14.

Simms Oil company No. 2 Collins, in section 7, block 10, north Wilbarger, is drilling below a last reported depth of 2310 feet.

WINNERS ANNOUNCED FOR LIVESTOCK DEPARTMENT

Very little interest was shown in the livestock exhibit at the county fair this year. County Agent P. D. Chaney stated that the stock exhibits were very good. Winners of the livestock exhibits are:

Jack—W. M. McCaleb, first; A. M. Bourland, second; W. R. Alderson, third.

Jennet—W. M. McCaleb.

Mare colt—W. M. McCaleb.

Draft horse—F. B. Neal.

Boys' livestock:
Dairy calf—Leslie Smith.
Pig—Robert Weekley, first; Thurston Neal, second.

NEW RECORD ESTABLISHED FOR SECOND DAY AT FAIR; SMALL CROWD FIRST DAY

Football Game Today and the Usual Large Crowds From County on Closing Day Are Expected To Bring Up Total To Good Standard.

Thursday was the best second day in point of attendance in the history of the County Fair, according to available records. It is estimated that fully 5,000 people visited the exposition. It was free day for children under sixteen, but despite this fact the gate receipts in money was nearly double the receipts of Wednesday.

Wednesday's crowd was perhaps the poorest that ever went inside the gates of the County Fair on opening day. Business houses were closed at noon, but business men and their families did not attend the Fair. Their support of the institution seems to be largely moral. The bulk of the support of the Fair in the matter of attendance Wednesday and Thursday has come from the people of the county and not from the city of Vernon.

With the football game between Vernon and Memphis as an extra feature on today's program, it is expected that a good attendance will be had. Saturday, the closing day, is expected to be the banner day of the Fair, as it has always been in the past.

The racing programs have been up to a high standard, and the patrons of this part of the program have been delighted with the cards offered.

Agricultural exhibits are unusually good and they have been splendidly arranged in order to attract attention and show the products of the farm to best advantage. The community booths are the big feature of this year's exhibit. Displays made by the boys' and girls' farm clubs are of unusually high quality.

The commercial and automobile displays are more numerous than usual, and Poole and Shenecke, one of the best carnival companies ever booked for a fair here, is on hand. In fact, everything in connection with the fair is up to a high standard, and officials in charge are confident that the exposition will be a success from every standpoint in spite of the failure of Vernon business men to attend.

WAGNER NOT TO GET NEW TRIAL

CASE TO BE APPEALED—ROY GONCE ON TRIAL NOW—DIVORCE GRANTED.

A motion was overruled by Judge Robert Cole in district court this week for a new trial for C. M. Wagner, peace officer, convicted here of the killing of John Webb, at Wichita Falls, August 21, 1921. Wagner was given a sentence of two years in the penitentiary by a jury last week.

Mr. Wagner's attorneys will appeal the case to a higher court. The case was transferred here from Wichita county on change of venue, after he had been tried twice in that county. His first trial resulted in five years sentence and the next a hung jury.

Roy Gonce is on trial today, charged with the manufacturing of intoxicating liquor. This is his second trial for the same offense. First trial resulted in a hung jury.

Arguments were heard yesterday in the Herring National Bank versus H. B. Farrell. The judge's decision was in favor of Mr. Farrell.

Mrs. Electra Waggoner Gilmore's marriage was annulled. She was married in Florida in March to James Gilmore, soon after her divorce from Weldon Bailey in District court here. She asked the marriage be annulled because she married again before twelve months had elapsed after her previous divorce. Her maiden name was restored.

Return From New Mexico.

S. E. Lloyd and wife, and Robert Ferrell and wife, recently returned from Clovis, New Mexico, where they have been visiting relatives for the past two weeks. They report that crop conditions around Clovis are better than in this county.

Singing at Jackson Springs.

The public is especially invited to a singing at Jackson Springs Sunday afternoon, September 20. The program is to be especially good, according to J. M. Collins.

SCHOOLS MAY SET NEW RECORD

BASED ON EXPERIENCE OF LAST YEAR, TOTAL FOR YEAR MAY REACH 2,300

The enrollment in the local schools reached a total of 1,539 yesterday. This is taken as an indication that the enrollment for the year will reach 2,300 or 2,400, based on experience last year. The initial enrollment is larger this year than it was last year and if the same ratio of increase is made the figures may reach as high as 2,400. Last year's total was slightly in excess of 2,100.

It has been found necessary to start work this year with the same number of teachers as were being used at the close of the last term after two new teachers had been added during the year in order to take care of increased attendance.

The compulsory attendance law will bring out many new pupils after the first of the year when it becomes effective, and there will be a natural increase if the city's growth is maintained through the winter as it was last year. There is every indication that this growth will continue.

Enrollment at the various buildings in the city yesterday were as follows: High school, 380; junior high school, 300; Shive, 330; Central, 297; Parker, 160; Rooker T. Washington, colored, 51.

Four Girls Given Trips to Dallas Fair for Exhibits

Four members of the Girls Clubs of the county were awarded free trips to the Dallas Fair as prizes for work exhibited in the Wilbarger county fair. Miss Emma Gunter, home demonstration agent, announced this morning.

Girls winning the trips are: Thelma Murry, East Vernon; Mildred Weekley, Kinchele; Eula Pierce, Elliott; Cecil Koonitz, East Vernon.

Miss Faye Lemon of Elliott won first in her class, but owing to the fact that she made the trip to the fair last year, she could not be awarded the trip this year.

Miss Gunter announces that money prizes will not be awarded to the club girls until they present their record books and club history.

99 BALES OF COTTON GINNED IN VERNON

The following is a report of cotton ginned in Vernon last week:

Planters Gin	7
F. & M. Gin	18
Farmers Gin	4
Turner Gin	4
Vernon Gin	27
Co-Operative	40

Total 99
September 12, last year, City gins only 492
Farmers finished repairs and began yesterday. Vernon gin began Saturday.

Zane Grey Story Here; "Wings of Youth" Coming

"The Last of the Duanees," at the Pictorium Theater for two days, starting today. This story by Zane Grey, is a typical thrilling, two first-ed sort of yarn that made Mix famous, and from early reports of Director Lynn Reynolds, it will be one of Tom's best. The picture is a

special and is numbered among the long list of important productions included in the William Fox program for 1925-26. The film was made from a scenario by Edward J. Montague. Marian Nixon, who has been seen opposite Charles Jones in several of his recent William Fox starring vehicles, makes her first appearance as leading lady for Fox Mix in this production. Others in the cast are Brindley Shaw, Frank Nelson, Lucy Beaumont and Harry Lonsdale. "The Last of the Duanees" deals with one Buck Duane, last of a long line of Duanees who have been known for their daring and deftness

with the use of a six-gun. John Duane, father of Buck, was said to be the fastest man on the draw in the southwest and Mrs. Duane holds the footstep of his father. Eight months on the handle of his .45 were ample testimony of how the older Duane had lived and died. Monday, "Wings of Youth," opens at the Pictorium for two days with an all-star cast. A cast of players, resembling a list of "Who's Who in Filmland," interprets the various roles. Heading the list are Madge Bellamy and Ethel Clayton, supported by Freeman Wood, Robert Cain, Katherine Perry, and Charles Farrell.

"Wings of Youth" is a story of the method by which one mother achieved success for her children in spite of the so-called "jazz" tendencies of today. Elaborate settings are used by Director Flynn to give this picture outstanding appeal. This is Director Flynn's seventeenth production for Fox.

Five Ring Circus at Wichita Falls September 28

At last the five-ring circus! For years reporters have used this figure of speech to describe the bigness of the Greatest Show on Earth. Now, for the first time in history, patrons will actually find five rings when the greater Ringling Brothers and Barnum & Bailey circus of 1925 which comes to Wichita Falls, September 28.

With the addition last winter of enough performing horses to bring the Big Show's total to three hundred and fifty the problem presented to the Ringling Brothers was, "How handle five troupes of them in a single display?" The limits of the show grounds in many cities forbade lengthening the main tent. None of the stages could be spared. All were needed for the big collective grounds of human actors. Then somebody suggested that though the "big-top" paraphernalia could not be cut down nor yet "spread out," there was no reason why it should not be "built higher." That suggestion was worked out and now, in addition to the three dirt-floored rings, two additional rings have been constructed to fit over the tops of the steel structured stages. This is the greatest innovation since the Ringling Brothers started their super-circus policy by combining their own with the Barnum & Bailey circus. It has opened the way not only for trained horse numbers in sets of fives but for other big, new displays.

Though there are more than eight hundred men and women acrobats on the mammoth program of 1925 only a few of the most brilliant are presented singly. Instead they are presented in imposing ensembles. Those groups extend over the entire length of the huge main tent—seven, nine, as many as eleven troupes in action at one time. In keeping with this plan of giving the spectators at the ends of the tent just as much "show" as is enjoyed by those nearer the center, five herds of elephants are now presented instead of three. A hundred clowns distribute their caperings in all parts of the "big-top."

The hippodrome track is utilized more than ever before. At one time it is completely circled by one hundred and fifty trained horses, each ridden by an expert, in an amazing ballet and "Fete of the Garlands." Again it is filled with glittering pageants, with splendid high-school horses or remarkable thoroughbreds that give thrilling exhibitions of lofty, hurdling and hazardous high-jumps.

Al G. Barnes Circus Coming September 28

"Ain't we got fun?" Ruth and the other big pachyderms, romping with the movie stars, have just joined the Al G. Barnes Big 4 Ring Circus coming to Vernon, Monday, September 28, and is having the time of her life.

Hip-hopping with pretty motion picture actresses is a privilege which is not accorded everyone, but Ruth can't see anything to prevent her being as sociable as she likes; especially since the movie stars are going to be her companions on the road this year.

In the greatest circus feature triumph of the age, "Pocahontas at the Court of Queen Anne," the most resplendent and historic American extravaganza the show world has evolved, the elephants have the pleasure of "looking on." They get more pleasure and enjoyment out of one evening's part played before admiring audiences than they would out of a lifetime spent in the jungles.

One hundred fair equestrianes upon dancing horses with coats of pure gold—their natural color; one hundred ballet and chorus girls from "sunkiss" Southern California, former bathing beauties for the West Coast movies; three tribes of Indians from Arizona, New Mexico and Nevada; and 2000 wild, educated, performing animals, including Lotus, five-ton, largest and only performing blood-sweating hippopotamus in the world, and a staff of 1000 people with the nationally famous Barnes 30-piece orchestra are in the big offering of the A. G. Barnes circus this year.

You will be personally introduced to Joe Martin, the most popular movie star of them all—"The Grand Old Man of the Screen," who will be glad to give you his autograph, when the Al G. Barnes circus comes to your town.

It's the show that's different—gorgeously bigger and better every year.

Musician's Book Arrives.

The program study books of the Musicians' Club, from Song to Symphony, have arrived and are in charge of Miss Vera Luckey at the Vernon Electric and Ice Company, where members will call for them.

Methodist Circle Meets.
Circle No. 2 of the Methodist Missionary Society will meet with Mrs. J. M. Ferber at East Peace street at 2:30 o'clock Monday afternoon.

Colors Effectively Used in Film Ten Commandments

Roy J. Pomeroy, technical director of "The Ten Commandments," the Paramount Picture coming to the Vernon Theater on Monday, explains the marvelous natural color photography of the picture in these words:

"We used what is known as the Technicolor process to film the Egyptian scenes. In them, one sees the children of Israel crossing the desert. The bright barbaric colors of the thousands of people and their animals against the somber grey sands has a remarkable effect on the observer."

"Contrary to earlier developments in the field of color photography, these scenes do not flicker or cause eye-strain, neither do the colors run together."

"The only apparent difference in a color-equipped camera is that two films pass behind the lens simultaneously, while in the ordinary camera but one film is used. Prisms separate the reds and greens of the scene being taken. Thus, on one film are recorded the red tints and on the other the green."

"When they are combined at the laboratory a red filter eliminates everything from the green film except the green, and a green filter eliminates from the red film, all but the red. The two films are then cemented together in such a way that the finished print shows the blue, yellow, orange, gold and straw colors, as well as shades of green and red."

Mr. and Mrs. Joe Sumner have returned from an extended visit in Los Angeles and Long Beach, Calif.

Narin-Albietz Stock Company To Open Monday

The Narin-Albietz Company of stock players will open an engagement in Vernon Monday night, and will remain here the entire week. Reports preceding the arrival of the company say that it is one of the best stock companies on the road, and that they have enjoyed playing in crowded houses at each town in which have been billed.

The company is composed of twenty-five people, all of whom are artists, and it carries with it a band and orchestra.

The company will present "Other People's Business" on the opening night and it is said to be one of the best and newest plays on the stage today.

Miss Lottie Russell, who has been spending some time in El Paso, is here for a visit with her brother, C. Fred Russell, en route to her home at Altus, Okla.

Miss Williams to Begin Work With Health Service

An announcement from Austin states that Miss Edith May Williams, former instructor in Vernon High School, will soon begin her work in which she will visit the schools throughout the state, conducting health programs and aiding the teachers with their problems. She is to visit the schools in the interest

of the health department of the extension service of the University of Texas. The plans of health education in public schools of the state fostered by the bureau of nutrition of the Division of Extension of the University of Texas will embody several new features this fall, according to Miss Janie Pinckney, head of the bureau. The graded lessons in health for the first seven grades have been put in pamphlet form this year, that complete plans may be sent out together. For the first time this year, the lessons will be illustrated. As these pamphlets are for the teach-

er and endeavor to give suggestions for reaching health to the pupils of various ages, a bibliography of additional material for the teacher which may be obtained from the University package loan library is included. There is also a list of books which may be read by the pupil.

CHURCH SOCIETIES HAVE JOINT MEETING

Members of the Auxiliary of the Presbyterian church were hostesses to members of the Westminster Guild, in a joint meeting Monday afternoon in the church parlors. At this time reports were made of the year's work and plans made for the coming year. After the business session, a social hour was enjoyed, and a program of music, readings and talks was given. Dr. E. L. Moore, pastor of the church, was present. A delicious salad and ice course was served at the close of the program. The Auxiliary will meet again next Monday afternoon at the church parlors with a home mission program. Mrs. J. A. McNutt is leader for the afternoon.

OKLAHOMA COUPLE MARRY AT PRESBYTERIAN MANSE

R. M. Bowman and Miss Nola Wilhelm, both of Randlett, Okla., were married Wednesday noon by Dr. E. L. Moore, pastor of the Presbyterian church. The wedding took place at the Presbyterian manse on Paradise street. The couple will make their home in Randlett.

Jesse Miller and Alvarado Girl Are Married July 25

The announcement was made last week of the marriage of Jesse Miller, son of Mrs. J. F. Miller, of this city to Miss Bonnie B. Brown, of Alvarado, July 25. The wedding took place when Mr. Miller went to Waco for his A. B. degree. They were both students in Baylor University. Mr. and Mrs. Miller visited his mother here, just before the teachers' institute opened at Wichita Falls.

They will teach at the Barwise school in Wichita county this term. The couple are members of the Volunteer Band of the University, who are trained for service as missionaries. They expect to be sent to Brazil at some future time.

SELF CULTURE CLUB TO MEET AT METHODIST CHURCH

The Mother's Self-Culture Club will meet in the League room of the Methodist church, Tuesday afternoon, September 22, at 3 o'clock. The following program will be given: "Relations of Lungs, Stomach, Heart and Brain to the Best in Body and Mind"—Mrs. W. W. Anderson. "Outdoor Exercise"—Mrs. W. M. Armstrong. "Mind and Morale"—Mrs. S. E. Porterfield. "Baby Life"—Mrs. W. N. Martin. "Physical Cure"—Mrs. Emory McCoy. "Nervous Children"—Mrs. E. H. "Environment as a Factor in Mental Development"—Mrs. E. A. Vernon. Poem, "The Splendor Falls on Castle Walls"—Mrs. P. P. Turner.

Overland Motor Co., Willys-Knight Distributor, Vernon, Texas.

Dear Key: Speaking about Evolution, Key, it may be hard to prove we descended from monkeys, but it's easy to prove the poor flea comes from the dog.

It's sure funny, Key, what peculiar things people sometimes get in their heads. I believe we ought to go on scratching for a living, and not bother about what ideas or other things come in people's heads.

I'm going out now, Key, and enjoy the good healthy air in the most comfortable way. I'm going to ascend in my Willys-Knight. Others may descend from anything else they want to.

Yours everlastingly,
RICH SMITHWIT.
P. S.—Will write again next week, if.

New Woman's Exchange Opens. Mrs. E. L. McHugh announces the opening of her new Gift Shoppe and Ladies' Exchange at Mrs. Esther Key's millinery store, south side of the square, on Wilbarger street. Mrs. McHugh will carry a full line of stamped embroidery patterns and finished work, and will accept garments and fancy work for sale from local women in the exchange department of the shop.

RAILAND NEWS.

Mr. and Mrs. H. D. Lawson and daughter, Frances, and Mrs. W. N. Reid and children are visiting with friends and relatives at Floydada and Post City. They will return home this week.

Cotton picking is beginning in our community.

Archie Lawrence of Doans spent Sunday with Walter Lawson.

The Antelope school opened Monday. The teachers for the term are: Mr. and Mrs. E. J. Covey of Fort Worth, Miss Florence Black of Crowell, Miss Russell of Fargo. The school opens with a large enrollment.

Mrs. Jacob of Vernon was brought out to nurse W. W. Wood.

Ruby Simmons was taken to a Vernon sanitarium Tuesday morning for treatment.

Mr. and Mrs. Fred Belew left Sunday for Floydada to visit Mrs. Belew's brothers, Clayton and Will Paschall.

Ralph Gregg and Arnold Young were Vernon visitors Tuesday.

J. E. Young left Saturday for Floydada. Mrs. Young has been at the bedside of her father there. They will return home this week.

Bailey Remels left Saturday for Decatur where he will enter school.

LOCKETT NEWS.

A goodly number of this community attended the County Singing convention at Jackson Springs last Sunday. They report a great day with plenty of dinner and some rain.

Mr. and Mrs. Warren Gould and daughter, Annie, of the Box community, attended services at the First Baptist Church last Sunday and took dinner with Pastor Frank McNair.

Mr. Dugger and family of Brown county are visiting in the home of P. K. Millner.

J. A. Goodman of Margaret is visiting relatives here this week. Hal Crawford is building a new barn on his farm.

Darrel Henson and Reece Hodges have returned from the East where they went some time ago to pick

MR. SATTERWHITE AND NEXT YEAR'S CAMPAIGN.

Friends of Lee Satterwhite, Speaker of the House in the present Legislature, will have added reason for admiring him as a result of his statement issued at Austin a day or two ago announcing that he would not become a candidate for Governor next year. Ordinarily a political leader's popularity is almost in exact ratio to his desire to seek higher office.

In this instance, however, most of Mr. Satterwhite's friends will feel that he has done a wise thing, both for himself and the State. As indicated by Mr. Satterwhite in his statement, next year's campaign bids air to be a particularly bitter one. This much is indicated by a few of the political straws that have been set adrift by avowed candidates for the Governorship and by friends of the present Governor, who has not definitely indicated whether she will be a candidate further than the statement of her husband that she would not be unless her administration is attacked.

Her administration is being attacked rather vigorously in several quarters, which would seem to indicate that in all probability Mrs. Ferguson would be a candidate to succeed herself.

If present indications mean anything, Mr. Satterwhite has correctly diagnosed the situation. His real friends, therefore, would regret to see him involved in a campaign of personalities. It is also certain that there will be two or three other aspirants for the nomination, and every entrant in the race will strengthen Mrs. Ferguson by division of the anti-Ferguson votes. Most of Mr. Satterwhite's friends are not Ferguson supporters. With him out of the race they can join hands with other anti-Ferguson forces in an effort to defeat the present Governor. This constitutes another reason why Mr. Satterwhite's friends are glad that he is to stay out of the race.

The ideal situation in next year's race for those who do not care to see Mrs. Ferguson succeed herself would be to have one strong man in the race against her and to have that man conduct his campaign largely on the basis of ignoring the Fergusons. The thing that seems to appear most inviting to anti-Ferguson leaders is the Governor's pardon record and the fact that the Governor's husband is really running the office. The candidate who attacks on these points is pouring water over the Ferguson wheel. The Governor's husband has shrewdly arranged the setting and there is not a man in Texas who can meet him on these issues with any hope of success. Lynch Davidson is a candidate again. His once chance of winning is to conduct his campaign as a businessman. He would be no match for Jim Ferguson in a campaign of personalities.

Jim Ferguson has cunningly set a trap and baited it with his wife's pardon record and the complaint he is the actual Governor, and any candidate who launches his campaign with an attack upon these two items is doomed to defeat. The pardon record has more ramifications than the average person would suspect. It involves more than the pardoned convicts and their immediate family ties. Senators, Representatives, judges, prosecuting attorneys, jurors and hundreds of people prominent in every walk of life in almost every community in Texas have had a hand in the making of the pardon record. Jim Ferguson is no tyro in politics, and he has seen to it that practically every pardon issued has had the backing of state officials or down through district and local officers to the jurors who fixed the penalty.

The Fergusons can be defeated next year, but it can't be done with a long list of candidates. Neither can it be done if the opposition at

leaves Jim Ferguson to pitch the battle on a plane where he is a past master. Mr. Satterwhite did well when he elected to remain out of a campaign fought with so many grave possibilities, both for the participants and the State.

ALCOHOLIC DEATHS INCREASE

A survey made by the temperance committee of the Federal Council of Churches declares that for every 100,000 population three persons died from alcoholic poisoning last year. The further statement is made that in 1920, the first year of prohibition, there was only one death from this cause out of each 100,000 inhabitants.

These figures are made the basis of a declaration against the laxness of prohibition enforcement. Liquor of a certain kind, is easily obtainable in most towns and cities, it is claimed, and those who have had opportunity to observe a little will readily agree with this statement.

But the increase in the number of victims of alcoholism does not necessarily mean that there has been an increase in the consumption of alcoholic beverages. It is to be doubted that such is the case, although there is no discounting the fact that there is still a deplorably large amount of intoxicants consumed.

One of the most logical deductions to be drawn from the figures as given by the Federal Council of Churches is that the liquor being consumed nowadays is of such inferior quality that poisoning is a natural result. All sorts of people are making an alcoholic liquid that could hardly be dignified by calling it liquor. The amateur brewers and distillers are seeking a drink with a "kick" in it and their knowledge of chemistry is such that they don't realize that very often the "kick" is a deadly poison.

Still another cause for increase in cases of alcoholism is that the old sins, not being industrious enough to make their own or prosperous enough to purchase the higher-priced stuff issued by druggists on doctors' prescriptions, are resorting to any and all kinds of medicines, hair tonics and flavoring extracts that are capable of producing intoxication.

There is cause for alarm in the figures given, to be sure, but there is comfort in the thought that at the present rate of mortality among the devotees of home-made hooch and cheap patent medicines the number will soon be reduced to the point where it will be negligible. Death is taking care of those who drink anything that produces a "kick."

DOANS NEWS.

The largest rain fell here Sunday afternoon that has fallen in many years. Quite a hard wind accompanied the rain. Some hail fell.

but did no damage to this immediate neighborhood, but in some places east and south of Doans the hail damaged the cotton to some extent.

Mr. and Mrs. George Cribbs and daughters, Robbie and Christine, of Rayland, spent a few days with Mr. and Mrs. Edd Armstrong. They returned home Wednesday.

Little Margaret Spear suffered a severe cut on one of her fingers Tuesday, but is better at this time.

Mr. and Mrs. Lee Armstrong went to Jackson Springs Sunday where they attended singing. They were caught in the rain and wind on their return home.

Mr. and Mrs. George Cribbs of Rayland spent Monday night with Mr. and Mrs. Walter Wilhite.

Mr. and Mrs. I. Bowers spent Monday with Mr. and Mrs. J. J. Armstrong.

The rain of Sunday and Monday will delay cotton picking for quite a while, but cotton will be fine picking if the sun shines a few weeks.

Mr. and Mrs. L. C. Moore went to Childress Saturday, intending to

return Sunday, but the rain came, and Mr. Moore returned Monday by train, and Mrs. Moore will come back in their car when the roads get good.

The men in this community are working the roads this week.

Cleo Richardson went to Rayland Saturday and returned Sunday.

Mr. and Mrs. Jesse Moore of Fort Worth came in Monday for a visit with his brother, L. C. Moore, and family.

Mr. and Mrs. Edd Armstrong and children, and Miss Edna Moore spent last week-end at Rayland visiting friends and relatives.

Isaac Wilhite and Archie Lawrence went to Rayland Saturday.

Mr. Lawrence, who lives on the Watts farm, lost quite a bit of cotton by the land caving into the river.

Wixie Harrison was a Vernon visitor, Sunday.

Ben Walker of Oklahoma came in Saturday to pick cotton.

Mr. and Mrs. Lawrence, who live on the Watts farm, moved out of

their house Tuesday afternoon, as the river bank was caving in, about fifteen feet of their house.

Mack and Elmer Wilson visited in Quanah last week-end. They returned home Monday.

Mrs. Lee Armstrong and children, Ruth, Doris and Bennie Carl, visited her sister, Mrs. John Knapp, at White City, Wednesday.

Mrs. Heb Stroud and son, Gerald, of Sherwood, visited Mrs. L. C. Moore, Thursday afternoon.

Grand Jury Raps at Prize Fights in Final Report

The grand jury called for this term of court made its final report yesterday and was discharged by the court. The final report contained fifteen felony indictments and three misdemeanor indictments, making a total of twenty-nine felony and four misdemeanor indictments. The report advised that prize

fight where admission fees were charged be stopped in the county at once.

The report follows:
To the Honorable Robert Cole, Judge of said Court:

We, the Grand Jury, empaneled for the August term of this honorable court, desire to report as follows:

We have examined one hundred and fifteen witnesses during our deliberations. We have been in session eight days. We have carefully inquired into all violations of the law known to our body or brought to our knowledge. We have heretofore submitted 14 felony and one misdemeanor indictments, and herewith

we submit 15 felony and 3 misdemeanor indictments, making a total of 29 felony and 4 misdemeanor indictments.

Our attention has been called to the fact that prize fights where admission fees have been charged, have been conducted in Vernon and other parts of the county. This should be stopped at once, as the same is a nuisance and serves no good purpose, while on the contrary, it is a bad example, and proper steps should be taken to abate the practice.

In compliance with the court's charge, we have made a thorough investigation of the traffic in the county, and have returned some indictments involving violations of the traffic rules. It is the duty of every citizen when he knows that traffic regulations are being violated to report that matter to the officials at once. This has not been done and in order to enforce these laws there must be a hearty co-operation of the citizenship with those entrusted to enforce the laws. Our attention has been called to the fact that a number of persons have violated the traffic laws and have been notified by the traffic officer in this county to appear before the various courts and have not as yet made their appearance. We respectfully call the attention of the public that it is a more severe violation of the law for failing to appear and answer charges against a person than the offense committed, and any person so notified to appear should, within five days time, make their appearance.

ance into the proper court.

The merchants throughout the county are cautioned and warned against the taking of checks presented to them by strangers, without identification, and which practice means loss ultimately. If this is followed there would be perhaps less forgeries and less passing of forged checks.

We have inspected the jail and find the same in good condition, but our inspection of the sanitary department in the court house shows the same to be in a very unsanitary condition and in our judgment should be removed from the court house.

We have concluded our labors and beg to be discharged.

Respectfully submitted,
J. C. SMITH, Foreman.

BAKER NEWS.

The rain which fell here the past week will benefit late feed and fall gardens.

Irving McNabb and Miss Ida Alexander of Vernon were married Saturday afternoon at 5 o'clock in Vernon. Mr. McNabb is the eldest son of Mr. and Mrs. John McNabb of this community, and his bride is a niece of Mr. and Mrs. Bertie Baker. She formerly made her home with them before accepting a position in Vernon. The young couple have many friends who wish them a happy married life.

Mr. and Mrs. Andy Paschall and children have returned from a visit with relatives in Dallas and Willis Point.

Mr. and Mrs. Homer Hite are the proud parents of a fine boy, Homer, Jr. Mother and child are getting along nicely.

Mr. and Mrs. A. H. Knowles returned the past week from a visit with their children who live near Sudan.

Mr. and Mrs. Clarence Clarida and son, Willard, are visiting relatives in Arkansas at this writing.

Miss Bobbie Mae Davis spent the week-end with Miss George Phillips of Electra.

Mr. and Mrs. Foerster gave the young people a party Saturday night.

Mrs. James Copeland and children have returned home after spending a week with her sister, Mrs. G. M. Birchfield, of Harrold.

Mrs. D. C. Crow, who has been very ill for some time, is improving.

Mrs. Clarence Knowles and little son, C. E., of Sudan, are here visiting her husband's people, Mr. and Mrs. A. H. Knowles. Clarence will come in about ten days and then they will go to visit her father, R. H. Hampton, of Hastings, Okla.

Miss Bennie Lou Gilchrist spent the day Sunday with Miss Pearl Stephens.

Mr. and Mrs. Carter Hill have returned from a visit with his parents, Mr. and Mrs. H. A. Hill, of Sudan. They also visited in New Mexico while up there.

Elmer S. Teddlie of Vernon began a meeting here Monday night. Every one is urged to come to these services.

Mr. and Mrs. E. A. Wood and Mrs. B. W. Wood visited their brother and son, Wilbert, of Rayland, who was badly burned the past week.

John Gilchrist started to High school in Vernon Monday. He is a senior this year, and the only student attending from this community.

A large storm cellar is being dug at Baker school house for the school children, something every school needs.

Misses Lee and Velma Hill have returned after visiting relatives in New Mexico and Sudan, Texas.

Mr. and Mrs. Walter Stephens, Mr. and Mrs. Bertie Baker, Mr. and Mrs. Leslie Boss, H. B. Clarida, E. B. Gilchrist, Homer Brown, Mrs. John McNabb, and Mr. and Mrs. A. K. Lee were among the visitors to Vernon from here Saturday.

Miss Hollis Owens of Vernon spent Saturday night and Sunday with Miss Pearl Stephens.

Don't forget the Doc Ross dance at the "Midloughs" Club tonight. Members and their guests invited.

PENNEY STORE MANAGER LEAVES FOR KANSAS CITY

Manager C. R. Buchanan, of the J. C. Penney Company store here, left Wednesday for Kansas City where on Friday and Saturday of this week he will attend a two-day convention at the Hotel Muehlebach of the managers of the institution from the states of Texas, Oklahoma, Wisconsin, New Mexico, Kansas, Missouri and Arkansas.

For eight days following the convention, the managers will remain in Kansas City, buying holiday and Spring merchandise from members of the company's staff of forty New York buyers.

Kindergarten To Open.

Miss Earle Carter, coming here from Wichita Falls, announces the opening of a Kindergarten class at the Shive school, on Texas street. Miss Carter has had a great deal of experience in that line of work. She was with the Wichita Falls day nursery one year and with a private Kindergarten school at Cleburne. She is a graduate of the Dallas Training School.

Methodist Circle To Meet.

Circle No. 3 of the Methodist Missionary Society will meet with Mrs. A. J. Carpenter of South Cumberland Street at 3 o'clock Monday afternoon.

Most Powerful Car of Its Size and Weight —a One-Profit Value

THERE are (as you probably know) only two manufacturers who actually build their cars complete—make all their own bodies, engines, clutches, springs, gear sets, differentials, steering gears, axles, gray iron castings and drop forgings.

One of these is Ford—in the low priced field. The other is Studebaker in the fine car field.

This one-profit principle of manufacture makes possible four great advantages.

1. It eliminates the extra profits and overhead that many other manufacturers have to pay and include in the purchase price to you. This keeps Studebaker prices low.

2. It enables us to build a better car because the vital parts are designed, engineered and manufactured complete by one organization. Being built as a unit—Studebaker cars function as a unit, with all of the advantages of unit over assembled construction.

3. It makes possible finer quality because Studebaker, being an independent manufacturer, with no subsidiary or allied companies to favor, is free to buy on the open market, demanding the finest materials at the lowest possible price. Studebaker purchasing agents are unrestricted in their search for quality and value. Studebaker designers and engineers are unhampered by outside interests.

4. And, finally, because of these one-profit savings, Studebaker is able to offer you a sturdier, more substantially built automobile. We pay a premium for the finest steel. We use hard wood in body construction. Plate glass in the windows. The finest grades of upholstery. Genuine full-size balloon tires. Unusually fine interior trim with no exposed tacks, and heavy hardware. Throughout the entire car—in hundreds of hidden places—you find the same high quality of materials and workmanship that you see out in the open.

The Standard Six Coach shown below is a splendid example of One-Profit value.

It offers greater power than any other car of its size and weight, based upon the rating of the National Automobile Chamber of Commerce. And luxurious riding comfort made possible by the big balloon tires, resilient springs, comfortable cushions and ample roominess.

But the only way to judge this car is see it—drive it! Feel the luxurious upholstery. Sit in the deep, soft, comfortable seats. Experience the surge of its tremendous power. And then compare it with other coaches.

The recent Studebaker price reduction and policy of "no yearly models" only serves to emphasize the logic of this reasoning.

If you seek a bargain in a quality car—by all means see this One-Profit Coach.

Studebaker Standard Six Coach, \$1365 Delivered for cash in Vernon

Or, under Studebaker's fair and liberal Budget Payment Plan, this Coach may be purchased out of monthly income with an initial payment of only **\$466 DOWN**

AGRICULTURAL DISPLAY BEST EVER AT FAIR

Eight Communities, Three Women's Clubs and Several Business Firms Have Booths in Hall—Automobile Show Is Fine.

"The finest, largest and best arranged display of agricultural products is being shown at the Fair," is the consensus of opinion of fair goers. Residents of eight communities have taken the trouble to tramp over muddy fields and bring the best of the fruits and vegetables, corn, cotton and grain sorghums to the exhibit hall. Three of the leading women's clubs of the county, Fargo, Elliott and Southwestern Community clubs have toiled in hot kitchens and made intricate needle work that their clubs might be represented at the Fair. One of the women arose at gray dawn and shelled peas, canned fruits and vegetables the first morning of the fair so that every article would be ready for the judges' inspection, with the result that Fargo and Elliott tied for first place and was each given \$20. Southwestern Community club won second place and received \$15.00.

On entering exhibit hall from the east, the first booth is the Boys' club exhibit. The arrangement under the supervision of P. D. Chaney, county agent, resembles the way the booths for the State Fair are arranged. All is neatness and order and the eye immediately takes in a general way the amount of work necessary to raise the products and arrange the booth. They are showing some very fine specimens of garden and field products.

Doans' booth, all in red, comes next, with a very pleasing arrangement of farm products, including a choice lot of canned fruits, melons and some fine maize, corn and monster beets.

Antelope with its decoration of yellow and violet is literally filled with the cream of the farm. Nothing seems to have been left off that the score card calls for.

Kinchloe, in the west part of the county has brought a wonderful array of farm products which are up to the standard of excellence.

West Vernon, in the pleasing color scheme of green and orange, has a bewildering array of farm and field things. In comparison with others, it too has followed the standard closely and judges had a hard time deciding.

Bourland and Farmers Valley are two pioneers as is Oklaunion in exhibiting at the fair. For years Bourland and Farmers Valley have shown their products at the county fair and J. C. Sherrard and Jack Frost, who have overseen the arrangement of the display are experienced all along the lines that make an exhibit correct in every detail. Bourland's colors are blue and white, while Farmers Valley's are pink and brown.

Oklaunion has a splendid exhibit. Its colors are yellow and heliotrope. To Oklaunion goes the credit of holding the first community fair several years ago, and they have patterned closely along the lines of that successful venture.

Haney community is having its first showing at the Fair this week and the exhibit from there is particularly good. One feature of the exhibit is a collection of peaches and plums which grew on the same tree.

From the artistic arrangement of all the booths it is plain to be seen that the women from the eight communities had a hand in the decoration. One man was heard to remark: "Why we would just dump the things down here and run if the women didn't come along and straighten them out and make such pretty things out of the colored paper."

This general display of agricultural and horticultural products overflowed the double booth and a single one was filled. Such monster watermelons and pumpkins, fine grain sorghums and corn and cotton and other field products were never assembled under that roof before.

Elliott club women chose their favorite colors, black and gold for their scheme of decoration. Pioneers in fair showing, the booth was very artistic in arrangement and they received an excellent grade for beauty and neatness.

Fargo woman's booth was decorated in green and gold and in spic and span order, resembled the home of some successful housewife. In one corner stood a knitting machine made by Mrs. James Stafford, one of the old settlers of the county, who is young in thought. On this beautiful shawls are made by the owner.

Southwestern Community booth, all in white and blue, had such a clean, restful appearance and held so many choice articles that many paused to compliment the ones who had made the booth a success. From the tasteful blue and white curtains at the window to the rug on the floor, the place seemed perfect.

J. D. Summerour and Son, who had an exhibit and loaned the building for the first fair, have an exhibit of their Western Wonder cotton. The booth is specially lighted and the effect is very beautiful.

Vernon Music store's dark blue booth has a choice collection of Kim-

ball pianos, Edison's Atwater Kent Radio sets and small musical instruments.

Vernon Grain & Fuel Company is showing Myggo stock and poultry foods in a pretty yellow and blue booth. The food is a Wichita Falls product.

Bennett Lumber Co's booth, decorated in red, white and blue, holds a nice array of Sewell's paints and varnishes, Color Var stain and varnish. A replica of the famous Stephens' No. 1, the discovery well is on exhibition as a striking advertisement for derrick timbers.

Just across the aisle, Russell's department store is showing Kuppenheimer clothes for men in the latest shades and patterns.

North Texas Building & Loan Association booth has some clever posters as an inducement to "buy your own home." A mechanical figure conveys the thought very cleverly.

The Farmers' State bank booth, each year has a showing of products raised by their customers and this year, the collection is bigger and better. This is one of the most attractive booths in the house. Placeards teaching thrift are on the front counter.

Terhune & Orr Implement company have a nice showing of Crosey radios, McCormick Deering separators.

Maxwell House Coffee booth is a very popular place. They are demonstrating every day and taking orders for coffee and tea.

Last and by no means least, is the wonderful display of the club girls, who, assisted by Miss Emma Gunter, have arranged a very fine display. Experience gained by showing each

year at the fair has made this booth almost perfect. Timely posters give health and beauty hints. One particularly striking reads, "Paint your cheeks from the inside out."

Automobile row is a very popular place at the Fair. The American public all seem to be interested in cars of all makes. The new Ford showed for the first time, has a crowd around it most of the time. Napier Brothers are also showing a Ford truck, tractors and farm machinery.

The Koy Overland Company displays an Overland 6 Sedan, Overland coupe and a Willys-Knight touring and roadster.

Vernon Auto Company's exhibit, Buick dealers, has a standard roadster, five-passenger touring and a standard two-door sedan.

Nash-Smith Motor company is showing for the first time in Vernon a Nash Six. They also show a special coach and a classy four-door coupe on display.

Wykes Motor company, Hudson and Essex dealers, show Hudson Brougham, Hudson coach and Essex coach.

Armstrong Motor Company has some beautiful models in Studebakers, including standard six sedan, standard touring and standard coach.

McFall Brothers, Dodge dealers, show coach roadster, touring and B. sedan.

C. M. Ladd, Chevrolet dealer, has on display, a truck, touring car, coach and sedan, in the latest models.

Wyatt Motor Company is exhibiting the Chrysler coach, roadster, touring car and coupe.

We solicit subscriptions to all magazines. See us for club rates. City News Stand. 72-41c

For an old reliable Peter Schuttler wagon, see the North Texas Hardware Company. 73-21c

Lion Roars

The Lions look better in scrimmage than in early season practice. Prospects for a winning team this year are becoming brighter daily. Coaches now have in the neighborhood of thirty-five men coming out, and in that number there is enough weight and beef to start anything up to a fat stock show.

Another new member of the football squad that put in appearance recently is the tackling dummy. The other members of the squad do not seem to have a very high opinion of the dummy. There is considerable evading when the coaches put the candidates on the dummy.

Vernon Lodge No. 655, A. F. & A. M., meets 2nd and 4th Thursday nights each month. L. E. Kester, W. M.; H. W. Norwood, Secretary. Visitors cordially invited.

Better BUICK owners are Masters of the Road

Once you have driven the 75 horsepower, 75-mile-an-hour Better Buick;

Once you have wheeled it over some particularly tough hill—in high gear—gaining speed all the way;

Once you have observed the way it assumes the lead in traffic;

Once you have checked its economical gasoline consumption against your friends' cars—

Then you will realize fully that the Better Buick, with its 75 horsepower Valve-in-Head engine, gives you power—speed—and inexpensive performance like no other car you have known.

The best way to see how very much the Better Buick has added to the pleasure of driving is to drive a Better Buick. We have one waiting for your telephone call.

FOR SALE—At a bargain. One 5-room house, modern conveniences, close in, good terms. Phone 788. 14p
FOR SALE—960 acres level plains land \$17.50 per acre. Five sections with running water. Three of it in Shallow Water Belt. \$30. Splendid terms. Some choice farms around Clarendon at reasonable price. Also land in Lamb and Castro counties. See me at Clarendon Hotel or phone 341, Clarendon. J. O. Quattlebaum. 71-4c
FOR SALE
 327 acres of good sandy land, located 6 miles from Chillicothe, near 5-teacher high school, in good community. The best buy in the country at \$60.00 per acre, good terms. 320 acres of good mixed land, most all in cultivation, good improvements, near good school; has good crop. This place for sale, including the crop, at \$65.00 per acre. This proposition for a few days only.
 160 acres of good land, in Waggoner Colony, \$100 per acre.
 161 acres of fine land, located near good school, on highway, close to market.
 1300 acres of fine plains land in Castro county, all fine land, 390 in cultivation, good well and mill, very good improvements, \$30.00 per acre. Good terms. This would suit two or four buyers.
 320 acres in Hale county, as fine as can be, at \$35.00 per acre.
 83 acres near Vernon, highly improved, all in cultivation, a fine home for some one who wants to own a good one.
 Some good brick business property, located in Vernon, well worth the money. See me for prices.
 4 acres located on railroad, \$165.00.
 200 acres of good land to trade for Vernon property.
 180 acres near Fargo to trade for Vernon property.
 I have numerous other propositions for sale, and some for trade, that will interest you.
 L. D. TERRELL,
 Office First Guaranty State Bank Building. 72-34c
FOR SALE—One-half of the following tract of land located two miles west of Chillicothe, Texas; Section 42 and Section 57 and half of section 43. There is no question but we have all been making a mistake by holding too large tracts of land, by so doing we are keeping good, nice families from locating on 160 acre tracts. By operating smaller tracts we can make twice as much per acre as we do by trying to run too much. What our country wants is to divide up our land with our neighbors and new comers. Call on Mr. S. P. Fowler, manager of the above said farm, and he will show you. This farm has been used for a good many years as a stock farm, consequently it is in a high state of cultivation. 70-4c
FOR SALE—Six room house close in. A splendid home and a profitable investment. See E. A. Vernon. Phone 599-J. 71-4p
 I HAVE a few good Wilbarger county farms at attractive prices. Also some rare bargains in South Plains lands. See, write or phone J. P. Smith, Odell, Texas. 70-84p
FOR SALE—140 acres land six miles east of Vernon on paved highway. Sell at once at reasonable price. Call at 2104 South Lexington Street. 70-64p
FOR SALE—Three large modern bungalows. Hardwood floors and all built-in conveniences. Wm. Cameron & Co., Inc. 69-84c
FARMS FOR SALE—Three fine sandy land farms for sale at a great bargain. Come and see us at once. T. P. Lisan & Son. 72-34c
FOR SALE by owner, modern five room house on large lot on West Paradise street. See L. M. Lovelady. 72-44c
BARGAINS IN STOCK FARMS—We are offering you some very fine stock farms at real bargain prices. All oil and mineral rights go with the land, and there are some fine geological structures on these properties. Also have some fine cotton and wheat lands at attractive prices and terms. See, phone or write for full information. J. R. Collard, Spearman, Texas. 73-44c
FOR SALE—Forty acres land in Section 98, block 14, Wilbarger County, located about three-fourths of a mile northwest of the oil producers in section 99. Land all in cotton and not leased. Priced to sell. Howard Timberlake, Fredrick, Okla. 73-44c
Lost, Found or Strayed.
LOST OR STRAYED—Team of black mare mules. 14 hands high, long shaggy mane and tail. One had trace chain around neck. Disappeared from D. C. Matthews farm two miles west of town. Notify D. C. Matthews at store or phone 230. Willing to pay for the trouble. 72-34c
LOST OR STOLEN—Brindle Bull Dog four months old. Female, fresh cropped ears, lump on right jaw, small white spot on breast. Bring to Boogertown and receive reward at Pennant Cafe. 74-24p Fr
FOUND—Automobile casing. Owner gives description at Post Office Filing Station. 14c
LOST—New set of Chevrolet tools between town and Parker school. Finder please return same to Ladd's Place and receive reward. 14c

For Sale—Miscellaneous
FOR SALE OR TRADE—Boick six touring car in good shape. Will sell cheap or trade for lot. Inquire at J. P. McPherson & Son's Hardware Store. 72-34c
FOR SALE OR TRADE—One late model Ford truck, one late model Chevrolet truck, one Traffic truck, and one Oldsmobile truck. All are in good condition. Will give terms on any of them. A. L. Smith, 2610 South Main Street. 71-44p
FOR SALE—Baseburner in good condition. Bargain. Phone 138. 72-34c
FOR SALE—Two ton Service truck, model 41. \$350. Easy terms. Phone 589. 72-34p
FOR SALE CHEAP—Seven passenger Nash touring car. See Dr. H. H. Rhoads. 72-34c
FOR SALE—Paige touring car in excellent condition. Good paint, 5 practically new balloon tires. Will give terms. Apply L. Yarberry, Bailey Hotel. 73-44p
FOR SALE—1923 Ford touring, 4 new cord tires, original paint. Will demonstrate. See Lorraine at White Garage. 73-34p
FOR SALE CHEAP—A new adding machine. Call at the Hudson Essex Sales room. 72-34p
FOR SALE—Registered pointer bird pups for—female \$7.50, males \$10.00. John Proctor strain. W. A. Matthews, South Vernon, Hotel oil field. 73-34p
FOR SALE—Half interest in Auto Repair and Electric Shop. See L. N. Mason at Highway Garage. 74-34p
FOR SALE OR TRADE—Light truck in good condition. Will trade for light car or city property. Call at 1427 Marshall Street. 74-34p
FOR SALE—Good four gallon fresh milk cow. A. F. Hope. Telephone 333. 3127 Paradise street. 74-34p
FOR SALE—Player piano, practically new at half price. Also good double-barrel shotgun. Phone 706. 74-34c
JERSEY AUCTION SALE—at Wichita Falls in connection with the Texas-Oklahoma Fair on Tuesday, October 6, 1925. Will be sold at auction, thirty-five cows, heifers and young bulls. All are excellent breeding and type. Write for catalogue to Emmet Brown, Cleburne, Texas. 72-34c
Record classified ads bring results.
Notice, Sheriff's Sale.
 The State of Texas, County of Wilbarger.
 By virtue of an Order of Sale issued out of the Honorable District Court of Wilbarger County, on 7th day of August, A. D. 1925, by the Clerk thereof, in the case of H. E. Evans, versus Bertha A. Koch and Albert H. Koch, individually and as the Legal Heirs and Co-heirs of Benjamin C. Koch, deceased, No. 3981, and to me, as Sheriff, directed and delivered, I will proceed to sell for cash, within the hour, property described in the Order of Sale, to-wit: a certain tract of land, situated in the County of Wilbarger, State of Texas, known and described as and being all of Lots Nos. Three (3) and Four (4) in Block No. 24, being the 353 in the Official Town of Vernon, Wilbarger County, Texas, levied on as the property of Bertha A. Koch and Albert H. Koch, individually and as the Legal Heirs and Co-heirs of Benjamin C. Koch, deceased, to satisfy a judgment amounting to \$250.00 in favor of H. E. Evans, and costs of suit.
 Given under my hand, this 3rd day of September, A. D. 1925.
 W. FRANK EDMONSON, Sheriff.
 70-44 Fr. By Clyde D. Watts, Deputy.

price of said land and a vendor's lien on said land secures said notes.
 That G. C. Morris is made party to this suit for the reason that he has been named trustee in said deed of trust; that Thomas B. Miller, Floyd Wilson, S. E. Smith, J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, Mrs. M. R. Stone and her husband, M. R. Stone, Mrs. W. A. Vance and her husband, W. A. Vance, the unknown heirs of L. M. Lovelady, deceased, and the unknown heirs of Melissa Frances Miller, deceased, are made parties for the reason that their claim against this property is a cloud upon the title here-in and is second and inferior lien and should be cancelled and held for naught.
 Wherefore plaintiff prays the court that defendants be cited to appear and answer this petition; that J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, Mrs. M. R. Stone, M. R. Stone, Mrs. W. A. Vance, W. A. Vance, the unknown heirs of L. M. Lovelady, deceased, and the unknown heirs of Melissa Frances Miller, deceased, be cited by publication; and that he have judgment for his debt, interest, attorney's fees and all costs of suit, and for foreclosure of his vendor's lien and deed of trust lien upon the above described land, and that the lien and claim of Thomas B. Miller, S. E. Smith, Floyd Wilson, J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, M. R. Stone, Mrs. M. R. Stone, Mrs. W. A. Vance, Mrs. W. A. Vance, the unknown heirs of L. M. Lovelady, deceased, and the unknown heirs of Melissa Frances Miller, deceased, be held for naught.
 Herein Fall Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.
 Given under my hand and the seal of said Court, at office in Vernon, Texas, this 28th day of August, A. D. 1925.
 MRS. J. A. WALKER, Clerk.

New 1-Ton Truck
 for Economical Transportation
CHEVROLET

 Chassis \$550 f.o.b. Mich.

Chevrolet introduces a new one-ton truck.
 It has a fine appearance and is specially designed and constructed for commercial service. Its deep 6-inch channel steel frame, hung low to the ground on long semi-elliptic springs, allows the platforms to be placed at the right height for easy loading and unloading.
 The powerful Chevrolet motor is famous for its ability to stand up under heavy service. It has a standard 3-speed transmission, fully enclosed dry plate clutch, extra heavy rear axle, heavy truck-type wheels and large tires, full running boards and fenders, Remy generator, starter and distributor ignition, and other quality features.

BLACK BEAUTY WINS 2 RACES

ONLY HORSE TO WIN CONSISTENTLY IN TWO DAYS OF CONTESTS.

With the results of the first two days of the horse races recorded, Black Beauty, black mare owned by W. B. Watson, looms up as the only consistent winner. She has won first place in the three-eighths mile dash both days. Each time she has been ridden by Frankie Andrews.

An unfortunate accident, doubtless kept Our Leader, owned by B. Tiller, from sharing the honors with Black Beauty. In the mile dash on the first day of the races, Our Leader fell on the second lap while leading the field by fifty yards. Yesterday he took first place in the mile with ease.

Wednesday's race results:

Quarter mile dash—Jeff Burnett, ridden by D. Redden, first; Nellie Gray, with Frankie Andrews up-second; Ben Collins, topped by B. H. Ford, third.

Three-eighths mile dash—Black Beauty, with Frankie Andrews up, first; Black Jack, mounted by Joekey Tidwell, second; Baltimore, with Bridges on the reins, third.

Half mile—Clara Hammond, ridden by Frankie Andrews, first; Sia Wassa, topped by Bridges, second; Black Bess and Dr. Mack tied for third honors.

Mile—Dowell, ridden by Frankie Andrews, first; Fire Cracker, ridden by B. Sneed, second; Texas Kid, with Palmer up, third.

Thursday's Results.

Quarter mile—Nellie Gray, topped by Frankie Andrews, first; Jeff Burnett, ridden by Bridges, second; Ben Collins, mounted by Ford, third.

Three-eighths mile—Black Beauty, ridden by Andrews, first; Sia Wassa,

with Bridges as jockey, second; Black Jack, with Tidwell up, third.

Five-eighths mile—Our Leader, ridden by B. Tiller, first; Clara Hammond, with Andrews up, second; Dowell, guided by Tidwell, third.

Former Pastor Here.

Rev. P. D. Tucker, former pastor of the Presbyterian Church here, was in Vernon Wednesday on business in connection with his work as endowment representative of Cumberland University at Lebanon, Tenn. Rev. Tucker had been visiting in this section several weeks and was en route back to Dallas, where he makes headquarters, although his home is in Lebanon.

Mrs. H. S. Pierce of Amarillo will arrive tomorrow night for a visit with her son, J. O. Johnson, and family. Mr. Johnson will meet his mother at Mangum, Okla., and they will drive through.

Saturday Market.

The Susannah Wesley Sunday school class of the Methodist church will conduct a market Saturday afternoon at the White House Market.

Renew Your Health By Purification

Any physician will tell you that "Perfect Purification of the System is Nature's foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs—once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions, price 35cts.; trial package, 10 cts. At any drug store.

Goods Stolen From Famous Are Recovered

Over half the goods stolen from the Famous store was recovered this week by the sheriff's department, and two youths were arrested and placed in jail. The stolen goods were found under the Vernon Grain and Fuel building on North Main street. One of the employees at the mill noticed boys going under the building, and made an investigation. He found four suit cases and called the sheriff's department. The boys were taken when the goods were recovered.

SPECIAL PROGRAM AT INITIAL MEET OF MUSICIANS CLUB

The Musician's club is meeting with Mrs. W. N. Stokes, president of the club at her home on Wilbarger street Wednesday afternoon at 3 o'clock, September 23. The meeting will be in the nature of a social affair and a special program has been arranged. Those who take part in the program will be in costume, illustrating the folk songs of all nations.

The following program will be given:

From Song to Symphony—Chapter I. Folk song—Leader, Mrs. C. J. Farrell; assistants, Mrs. W. E. Colley, Mrs. W. W. Bennett, Mrs. L. D. Terrell, Mrs. W. A. Lane.

Program: Chorus—"Texas, My Texas." Piano, "The Volga Boatmen's Song"—Miss Erma Rhoads.

Violin, "Slumber Song", (Schumann)—Mrs. John Brown. Piano, "Norwegian Folk Dance", (Greig)—Miss Enid McCarroll.

Costume Recital of Folk songs: Scotch, Mrs. Z. M. Young; English, Mrs. E. F. Lyon; German, Mrs. A. A. Hingest; Irish, Mrs. A. H. Murchison; Italian, Mrs. Y. H. Babashin; Cowboy, Mrs. Ben Loutwyler; Indian, Mrs. P. W. Hendrix; Negro, Mrs. E. H. Gipson; American, Mesdames Wilson, Murchison, Colley and Vernon.

Mrs. Currin Recovering. Mrs. Will Currin, who has been so seriously ill, is said to be improving. Her parents, Mr. and Mrs. T. J. Johnson, of Childress, are at her bedside. Her sisters, Miss Maude and Bess Johnson, of Akron, Ohio, returned home Monday, and her sisters, Sue, Ivy, Lorene and Helen, returned to Childress Wednesday.

Teacher Badly Hurt. Mrs. Della Honssels, who was badly injured last week in an automobile collision, is in a critical condition. She was badly bruised about the face and body, and now is suffering from a partial paralysis of the arms.

Mrs. B. C. Wood and daughter, Miss Annie Mae, have returned from a visit with relatives in Austin and San Antonio, and other Texas towns.

Antelope Winner of First Prize of Community Clubs

Antelope won first prize of \$50 for community exhibits, according to the decision of the judges. Oklahoma won second prize of \$40, and Bonland took third prize of \$25. Kincheloe took fourth prize, \$15, and West Vernon won fifth prize, of \$10.

In the women's rural clubs exhibit, Fargo and Elliott tied for first place, and Southwestern Community club won third.

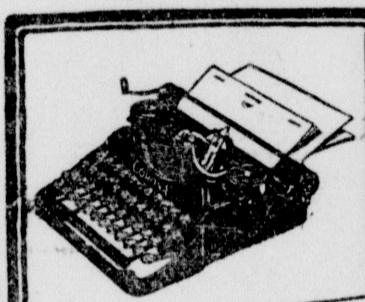

HIGH SCHOOL PEP SQUAD PERFORMS AT GAME TODAY

The high school pep squad has been organized and will be seen in action for the first time this year at the football game at Fair Park this afternoon. Yell leaders this year are, Vernon Reed, Juanita McDonald, Bliek Stokes, Guy Norwood.

W. H. Stephens has returned from Colorado Springs, where he spent the summer.

Don't forget the Doe Ross dance at the "Idlehours" Club tonight. Members and their guests invited.

Prep Suits—School Suits—Suits for the Young Man in Business

\$19.75

Modeled and patterned after the students' own ideas, slim of line and graceful of cut, this two-button, single-breasted suit has important combination of youth with manliness.

Two-button single-breasted, easy shoulder, semi-straight back without vent, full-cut straight-hanging trousers.

Patterns that young men like—stylish mixtures, novelty stripes and overplaids; quality cassimeres in newest weaves; greys, blue-greys, tan, blue and brown. The style—the suit—you want, at the right price.

Other Students' Fall Suits at \$24.75

THAT NEW

Willys-Knight

UNEQUALED PERFORMANCE

UNEQUALED ECONOMY

A new name for smoothness—

A new high mark for efficiency, with an engine you will never wear out.

The vast difference between the extraordinary performances of the NEW WILLYS-KNIGHT and the performance of other cars is only partly the result of the vast advantages which the new Willys-Knight sleeve valve engine has over all poppet valve engines.

Ten years of successful yesterdays have lighted the way to this brilliant engineering climax.

You naturally expect a car of this class to have all the finest developments of engineering. It is equipped with Willys-Knight's own highly developed four-wheel brakes. The very air that enters the carburetor is filtered clean of all dust, and a new device continually keeps purifying the oil in the crank case.

Such a car deserves the finest of coach work for which Willys-Knight has the lead. Such a car deserves the prestige—Such a car deserves the popularity—Yet the public is offered this climax of efficiency at a reasonable price.

Willys-Knight Fours

MISS EARLE CARTER

Quality---Beauty

There are many things to be considered when buying footwear, but the one feature that we consider paramount to all else is quality.

The pretty step-in pump shown here-with is made by UTZ & DUNN CO., which is your assurance that they will give excellent service.

Made from the new light shades of Kid skin and Russia Calf that are proving so popular this Fall.

Priced \$6.50 to \$10.85

McKibbin's Booterie
